

Yianting Lee

Ms. Lee is a Staff Accountant for the Financial Management Service, Department of the Treasury, in the Financial Reports Division of Government-wide Accounting. She earned a Bachelor of Science degree in Accounting and Management and a Master of Science degree in Management Information Service from the University of Maryland. She was selected to participate in the Federal Career Intern Program, within Governmentwide Accounting, at the Financial Management Service. She is a member of the Association of Government Accountants.

Ms. Lee is involved in the preparation of the Financial Report of the United States Government, published annually. She serves as a Government-wide liaison, working diligently with numerous Federal agencies to help identify and resolve accounting and financial reporting issues in accordance with guidance from the FASAB, the OMB and the USSGL Board.

Ms. Lee is currently involved with the Financial Management Service's new Government-wide Treasury Account Symbol Adjusted Trial Balance System (GTAS), designed to improve the consistency and quality of Federal agency accounting and reporting.
