

Kay E. Levy - BIO

Education:

B.S., Speech and Language Pathology, Northwestern University
M.A., Speech and Language Pathology, Northwestern University
M.B.A., Accounting and Finance, Tulane University

Federal Government Work Experience:

For the past 20 years Ms. Levy has been a Systems Accountant with the U.S.D.A.

In recent years Ms. Levy served as a Supervisory and Senior Systems Accountant in the Office of the Chief Financial Officer. Primary responsibilities at both the National Finance Center in New Orleans and at the Headquarters Office in Washington D.C. included the implementation and production support of U.S.D.A. agencies in the Department's current financial management system, Foundation Financial Information System. Currently, Ms Levy serves as the Director of the Customer Service Division for the Associate Chief Officer for Financial Systems Planning and Management and is part of the program management team for the implementation of USDA's new financial management system, Financial Management Modernization Initiative. Additionally, Ms. Levy was the co-Program Manager for the Department's eGovernment Travel implementation and is USDA's representative on the GSA Travel Programs Executive Governance Council.
