

Biography of Dianna Capshaw

Dianna is with the Office of Audit and Assurance within the Forest Service Chief Financial Officer Office. This office was created in response to an ever increasing need in the Agency for centralized audit coordination. Audit and Assurance currently has external auditors, internal evaluators, and audit liaisons focused on providing FS management with auditing, advisory, and assurance services for our diverse and complex Agency. Dianna has been the key audit liaison on several significant audits conducted on FS. Through Dianna's efforts, USDA OIG noted that FS only had \$1300 worth of unallowable costs for billings totaling \$117 million.

In 2009, Dianna was given the task of coordinating and assisting the Office of Inspector General assess the implementation of the requirements and funding promulgated and provided by the American Recovery and Reinvestment Act of 2009. The OIG received \$27 million to audit the USDA on our recovery programs and projects. Dianna has worked closely with the FS Economic Recovery Office, the Agency's primary audit liaison, and regional audit liaisons throughout the year to manage 10 audit teams conducting 140+ site visits on over 700 projects.
