

Michelle D. Garner

Michelle Garner serves as the Chief for the Financial Systems and Analysis Branch of the Financial Management Division within the Agricultural Research Service. With over twenty three years of experience with USDA, Michelle has worked for Departmental Administration, OCFO and ARS. In 2001, Michelle participated in DA's implantation of FFIS. Representing the REE mission area, Michelle has been involved in FMMI since 2005 starting with the development of the request for proposals, review of the proposals submitted and now as the REE implementation lead for our conversion to FMMI.
