

Lisa Johnson bio

Lisa Johnson joined USDA in Jan 2007 as the Financial Manager for International Technology Services (ITS). She is responsible for cost accounting and budget formulation for ITS and developed the activity based costing model (CMIS) for ITS using PCM. She was also the lead for the Office of the Chief Information Officer (OCIO) transition to a new accounting system in FY10 using SAP core financials.

Before joining USDA, she was a Financial Manager for the United States Marine Corps and Defense Finance and Accounting Service, specializing in cost accounting and financial management.
